Subj: STORAGE OF DISCARDED MILITARY MUNITIONS, FORMER NAVAL AIR
STATION CECIL FIELD, RCRA CORRECTIVE ACTION PERMIT NUMBER
13526-HH-004, JACKSONVILLE, FLORIDA

Dear Mr. Bahr:

The Navy's intent is to store recovered discarded military munitions (DMM) from the Building 365 Munitions Response Area (MRA) and Hangar 860 MRA at the provided location (see attached figure) within the Hangar 860 MRA at the former Naval Air Station Cecil Field, Jacksonville, FL. The DMM will be stored until treatment onsite can be conducted by Department of Defense Explosive Safety Board (DDESB) and Naval Ordnance Safety and Security Activity (NOSSA) approved methods. All applicable RCRA regulations related to transport, treatment or disposal of the DMM will be followed. Storage of DMM is in accordance with the criteria set forth in 40 CFR 266.205, and the Florida Department of Environmental Protection will be notified when the storage location is no longer necessary or the storage area no longer meets the criteria.

If you have any questions or comments please do not hesitate to contact Art Sanford at art.sanford.ctr@navy.mil or Stacin Martin at stacin.martin@navy.mil.

Sincerely,

MARK DAVIDSON
BRAC Environmental Coordinator
